APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion and place of use of the waters of an underground source as heretofore granted under Permit 20604, Certificate 6213 is issued subject to the terms and conditions imposed in said Permit 20604, Certificate 6213 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The well must be sealed with cement grout, concrete grout or neat cement from ground level to 100 feet.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

With the issuance of Permit 54672, the well drilled under Permit 20604, Certificate 6213 shall be plugged within 30 days from the issuance of Permit 54672. The well shall be plugged in accordance with Chapter 534 of the Nevada Administrative Code.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.50 cubic feet per second, but not to exceed 21.9 acre-feet seasonally, and not to exceed a seasonal duty of 3.0 acre-foot per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before September 18, 1994

Proof of completion of work shall be filed before October 18, 1994

Application of water to beneficial use shall be made on or before September 18, 1997

Proof of the application of water to beneficial use shall be filed on or before October 18, 1997

Map in support of proof of beneficial use shall be filed on or before October 18, 1997

Completion of work filed AUG 22 1994

Proof of beneficial use filed DEC 11 2000

Cultural map filed DEC 11 2000

Certificate No. 15650 Issued JAN 17 2001

IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P.E.,
State Engineer of Nevada, have hereunto set my hand and the seal of my

office, this 18th day of September,

A.D. 19 92

R. Michael Turnipseed
State Engineer
